Lifetime Sexual Practices

Q30.1.

OK, let's continue. The following questions can be somewhat personal, but please answer them as best you can. I also want to remind you that this survey is completely anonymous and that the information you give us is strictly confidential.

The questions in this section are about your sexual practices, including vaginal and anal sex. This only includes those sexual experiences that you engaged in VOLUNTARILY. By "vaginal sex," we refer to sexual relationships where a man puts his penis into a woman's vagina. By "anal sex" we refer to sexual relationships where a man puts his penis into someone's anus or butt.

If you prefer to answer these questions privately using the iPad yourself, you can let me know. Just remember to return the iPad to me when indicated and let me know if you have any doubts.

(Interviewer: If the person indicated they want to self-administered this section, hand the iPad to the person and explain how to proceed through the questions. Stay close so you can observe if they are having any trouble and assist them.)
